# Bringing Hope to B40 Seniors

January 2025 marked a milestone for Oretha's Senior Concierge as the organization successfully launched its **first-ever free hospital accompaniment service for B40 seniors** living in PPR flats in Lembah Subang. The initiative was made possible through funds raised from the Senior Citizen Discount Guide published in November 2024, the support of Yayasan Hasanah and Ministry of Finance, Malaysia and the generosity of advertisers.

For many elderly individuals in the B40 community, accessing healthcare can be a daunting challenge. Long waiting hours, complicated hospital procedures, and the lack of a companion often discourage them from attending critical medical appointments. Recognising this gap, Oretha's Senior Concierge stepped in with a meaningful solution.

*Program Perumahan Rakyat (PPR) flats aka the People's Housing Program is a Malaysian government initiative that provides low-cost housing to B40 income groups.*

## Making a Real Difference

The hospital accompaniment service took place at Hospital Serdang and Klinik Kesihatan Kelana Jaya, where volunteers assisted seniors with check-ins, paperwork, and navigation through the hospital system.

Most importantly, they provided much-needed companionship, making the experience less overwhelming for the elderly.

"For many of these seniors, hospital visits are not just about medical care—it's about having someone there to support them.

We are beyond grateful to our volunteers and advertisers who made this possible."

*Oretha Herrera, Founder of Oretha's Senior Care*

## How You Can Help

We invite companies, entrepreneurs, and individuals to be part of this impactful initiative. Those interested in advertising in the upcoming Senior Citizen Discount Guide—or contributing in other ways—can find details at [www.orethas.com/concierge](http://www.orethas.com/concierge)
